taking on disability together

For over 70 years, Easterseals Arkansas has been the indispensable resource for people and families challenged by disability. Now, as we face a broad range of new issues, we are making profound, positive differences in the lives of people and families challenged by today's disabilities. The work we do every day is redefining disability for the 21st century.

CHILDREN'S SERVICES

Developmental Preschools

Easterseals preschool staff provides quality special education and pediatric therapy to children with special needs, disabilities and autism in Little Rock and Stuttgart.

Autism Classroom

Using applied behavior analysis instructional methods, our innovative preschool classroom in Little Rock prepares children with autism for kindergarten.

Pediatric Outpatient Physical, Speech & Occupational Therapy

Our experienced pediatric therapy team provides life-changing therapy to children from newborn to 18 years on an outpatient basis.

High Risk Infant Monitoring

Our specially trained pediatric therapy team offers early intervention services and in-home therapy to infants who are born premature or with special needs.

Inpatient Rehabilitation

Easterseals Children's Rehabilitation Center helps

children with special needs, disabilities and autism transition back into their communities by providing exceptional services in a residential rehabilitation center.

Training & Evaluation

Easterseals Outreach program works in partnership with the Arkansas Department of Education to help children with disabilities succeed in school. Our multidisciplinary team travels Arkansas to assist teachers, parents, administrators and therapists in developing and implementing programs for their students.

ADULT SERVICES

Center for Training & Wellness

The Center for Training & Wellness helps adults with disabilities make friends, learn new skills and lead busy lives! The program offers job training and placement, living skills, health and nutrition, physical education, art and therapy for adults with disabilities ages 18 and up.

Academics, Community, Career Development & Employment Program (ACCE)

ACCE is a partnership between Easterseals Arkansas and the University of Arkansas at Little Rock (UALR) that offers a one year (two semester) certification program for students with intellectual and developmental disabilities. Classes meet at UALR, which gives the

students a college experience while preparing for competitive employment.

Job Training & Placement

The HIRE program provides one-on-one job counseling, training and job placement for adults with disabilities. We have long-standing relationships with employers to help people with disabilities find jobs in the community.

Independent Living Apartments

Easterseals Arkansas operates four apartment complexes in Little Rock for people with disabilities: Armistead Village, Wilson Court I, Wilson Court II and Harold Court. Our affordable HUD housing supports a life of independence that is also accessible and safe for our residents.

Butler Adult Living Center

Butler is a home-like residential facility for adults with disabilities who need 24-hour care.

Artistic Realization Technologies

The Artistic Realization Technologies program (A.R.T.) enables people with little or no use of their hands to create beautiful art. Trained volunteers follow the artists' directives to bring their visions to life.

FOR CHILDREN & ADULTS

In-Home Waiver Services

Our staff provides services in the home and community for people with disabilities and their families through the Medicaid Waiver program.
