

about us

Since 1951, Easterseals Louisiana has served thousands of individuals with disabilities, annually. While our history is rooted in providing services to children with physical disabilities, today, we're advancing opportunities for people of all ages with a range of disabilities to better live, learn, work, play and act in their communities.

- 91% of all funds expended by Easterseals Louisiana are used for direct services.
- 97% of all staff says they feel proud to tell people that they work for Easterseals Louisiana!
- 92% of participants report that they are very satisfied with Easterseals Louisiana services.
- Service over 9,000 families in Louisiana annually and working to help more each year.

For nearly 100 years, Easterseals has been the indispensable resource for people and families challenged by disability. Now, as America faces a broad range of new issues, we make a major, positive, life-changing difference in the lives of people and families challenged by today's disabilities. The work we do every day is redefining disability for the 21st century.
