

Employment & Training Services

Easterseals Workforce Development Program sees a job for a person with a disability as the cornerstone of self reliance and independence. We give support to people with disabilities—such as job coaching and transportation—so that their skills, not their disabilities, are the emphasis of their employability.

Adult Day Health & Social Programs

Easterseals Adult Day Centers provide a place for adults with disabilities to be active in the community, socialize with their peers and receive needed health and personal care services. Our programs allow caregivers to work outside the home and attend to their own needs or the needs of other family members.

Barrier-Free Camp & Respite Service

Since 1974, Easterseals Camp Stand By Me has been an inclusive, barrier-free environment for children and adults with disabilities to experience all the joys of camp without limitations. Camp is about all the things children and adults can do: swim, ride horses, sing, eat s'mores, build life long friendships and more.

We offer week-long sessions in the summer and weekend respite in the fall, winter and spring. With low staff to camper ratios, and an on-site registered nurse, we can serve children and adults of any ability level.

Located in Vaughn, WA

Camp Stand By Me gives children and adults with disabilities the freedom to be themselves and explore the great outdoors in a barrier-free environment.

Inclusive Child Development Centers

Working parents need a quality environment for their children that is safe, nurturing, and fosters their children's

educational and physical development. Easterseals Child Development Centers provide the highest quality child care and education for children with and without disabilities.
