

A photograph of an elderly couple embracing outdoors. The woman, with short grey hair, is wearing a grey long-sleeved shirt and has her arms around the man's shoulders. The man, with a mustache and dark hair, is wearing a blue long-sleeved shirt and is seated in a blue metal wheelchair. They are both looking down and smiling gently. The background is a soft-focus outdoor scene with green foliage and bright sunlight. An orange semi-transparent banner covers the bottom half of the image, serving as a background for the text.

We're all in this  
pandemic together.  
**Together, we can  
make a difference.**

The coronavirus presents a high risk to people with disabilities, veterans, seniors and their families. At Easterseals, we're just beginning our second century of service to these communities. We have persevered through two World Wars, the Great Depression and past pandemics—and together we will endure the current crisis.
